

NGWI Project Development Process

NGWI *Supported* Projects

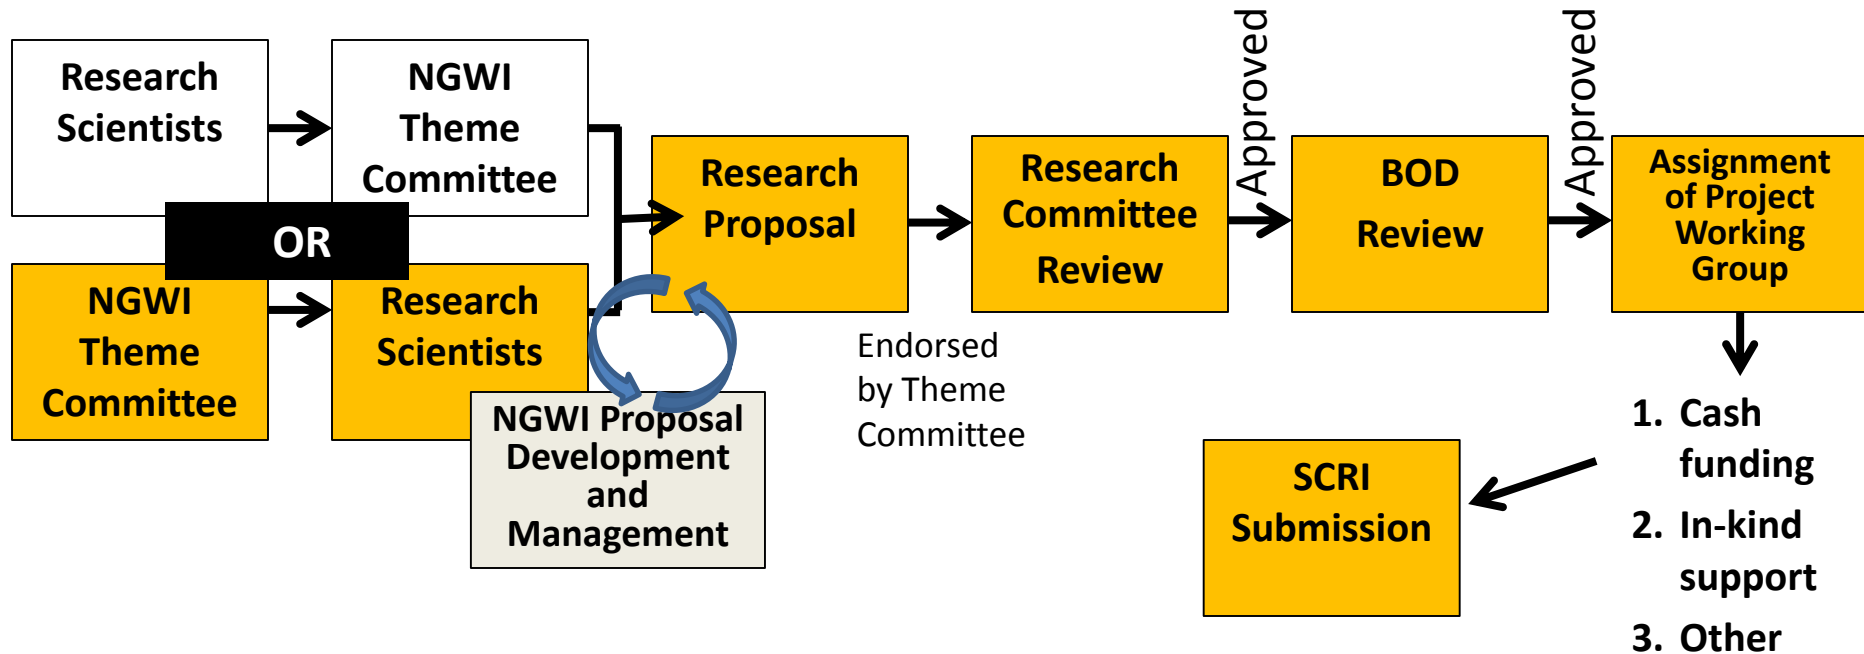

When is this process used?

1. Regional projects
2. Industry specific outcomes with regional application
3. Addresses relevant, but not core, NGWI initiatives

A letter of support seems like a simple ask, but NGWI must be careful with our approvals

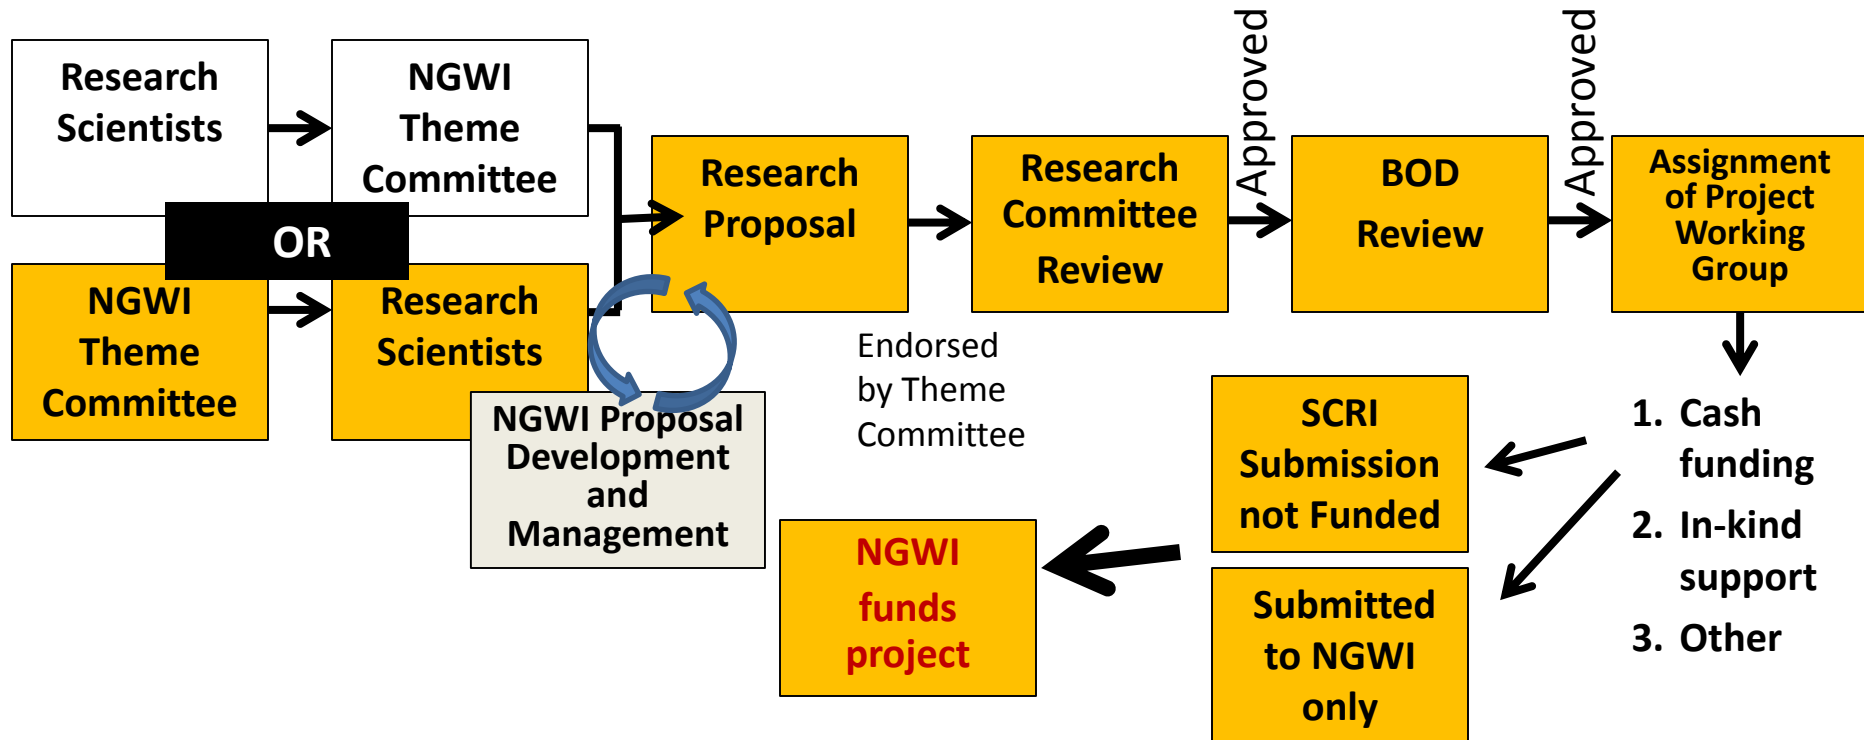

NGWI *Sponsored* Projects

When is this process used?

- Topics meeting strategic or core NGWI research needs
- National research priority and application

NGWI *Funded* Projects

When is this process used?

- SCRI proposal not successful
- No alternative funding source available
